3. The outbreak of COVID -19 pandemic and consequent lock down has impacted the regular business operations of the Group. The results for the guarter and six months ended September 30, 2020 are therefore not comparable with those for the earlier periods presented. The Group has assessed the impact of the pandemic on its financial results / position based on the internal and external information, to the extent known and available up to the date of approval of these financial results and based on the current estimates, the Group expects no further adjustments to the carrying amounts as at September 30, 2020 of the investments, intangible assets, receivables and other financial assets. This assessment and the outcome of the pandemic as regards the aforesaid matters is highly dependent on the circumstances / developments, as they evolve in the subsequent periods.
